

# **Azopt**

## Dorzolamide & Timolol

### **Composition**

**Azopt Sterile Eye Drops:** Each ml sterile ophthalmic solution contains Dorzolamide Hydrochloride BP 20 mg and Timolol Maleate BP 5 mg.

### **Description**

Dorzolamide is in a class of medications called topical carbonic Anhydrase Inhibitors. Timolol is in a class of medications called topical beta blockers. Dorzolamide & Timolol lowers pressure in the eye by decreasing the production of natural fluids in the eye.

### **Indications**

Dorzolamide & Timolol Sterile Eye solution is indicated for the treatment of elevated intraocular pressure in patients with open angle glaucoma or ocular hypertension who are insufficiently responsive to topical beta blockers.

### **Dosage & Administration**

Instill one drop in the conjunctival sac of the affected eye(s) twice daily.

### **Side Effects**

Mild burning, ocular hyperemia, blurred vision may occur. Taste changes (bitter, sour, or unusual taste), Itchy eyes, Dry eyes, Eye tearing, Dizziness.

### **Contraindication**

This drug is contraindicated in patients who are hypersensitive to any of the components of this preparation.

### **Precautions**

For ophthalmic use only. Patients should remove their contact lenses prior to instilling this preparation and should not insert their lenses until 15 minutes after instillation of the preparation.

### **Use in Pregnancy and Lactation**

Pregnancy Category C. There are no adequate and well-controlled studies in pregnant women. This medication should be used during pregnancy only if the potential benefit justifies the potential risk to the fetus. Caution should be exercised when Dorzolamide & Timolol is administered to a nursing mother.

### **Drug interaction**

This medication may interact with Topiramate, Methyldopa, Clonidine and Epinephrine.

### **Overdose**

If overdose is suspected, contact a poison control center or emergency room immediately. Symptoms of overdose may include: dizziness, headache, and shortness of breath, difficulty breathing or swallowing, chest pain, confusion.

### **Storage**

Store at 15°-25°C, away from light and moisture. Keep out of reach of children.
